We specialise in offering a transition path for people with additional learning needs. Helping you realise your natural skills and talents through vocational training.

Call to ask to be shown around and see what we offer, we love showing people all the exciting things our students have achieved.

Bright Lives teaches you skills in a fun interactive way

We have the solution

- Drama therapy with a master's degree qualified Drama Therapist
- We have a specialist Pottery teacher to teach you Pottery, using professional Clay and tools to make real pottery that is fired in a kiln.
- Arts and Crafts, learn how to make your own clothes and bags, use paints to express your feeling.
- Cookery in our professional kitchen learn all about nutrition, we use real kitchen equipment to teach you how to measure ingredients, cut up vegetables with proper knives.
- We are a nonprofit making business that operates on a rate of £10.00 per hour for our sessions, each session is two hours long. Including everything you need to demonstrate the outcomes that are important to you.

We use specialist Tutors and Teachers to deliver a wide range of specialist subjects, offering continuous assessments and outcomes to support the needs of your funders
